FIRST QUANTUM MINERALS ANNOUNCES THE INCREASE OF THE MAXIMUM TENDER AMOUNT OF ITS CASH TENDER OFFER FOR ITS OUTSTANDING 6.875% SENIOR NOTES DUE 2027

(In United States dollars, except where noted otherwise)

Toronto, Ontario (February 19, 2025) - First Quantum Minerals Ltd. ("First Quantum" or the "Company") (TSX: FM) today announced, with respect to its previously announced tender offer (the "Tender Offer") to purchase for cash up to \$500,000,000 aggregate principal amount outstanding of its 6.875% Senior Notes due 2027 (the "Notes"), that it has increased the maximum principal amount of the Tender Offer from \$500,000,000 (the "Original Maximum Amount") to \$750,000,000 (the "New Maximum Amount"), subject to the terms and conditions set forth in the offer to purchase dated February 19, 2025 (the "Offer to Purchase"). Capitalized terms used herein and not otherwise defined herein shall have the meanings ascribed to them in the Offer to Purchase.

As announced by the Company on February 19, 2025, the Company successfully priced and upsized its concurrent offering of \$1,000,000,000 aggregate principal amount of 8.000% senior notes due 2033 (the "New Notes").

Accordingly, subject to the terms and conditions of the Tender Offer as set forth in the Offer to Purchase, the Company hereby announces that it is increasing the maximum aggregate principal amount of Notes to be tendered pursuant to the Tender Offer to the New Maximum Amount of \$750,000,000.

The Tender Offer will expire at 5:00 p.m., New York City time, on March 19, 2025 (such date, as may be extended, the "Expiration Time"). Under the terms of the Tender Offer, holders of the Notes ("Holders") who validly tender and do not validly withdraw their Notes at or prior to 5:00 p.m., New York City time, on March 4, 2025 (the "Early Tender Time") will be eligible to receive \$1,012.00 per \$1,000 principal amount of Notes (the "Total Consideration"), consisting of the Tender Consideration (defined below) plus \$50.00 per \$1,000 principal amount of Notes (the "Early Tender Premium"). Holders of the Notes who validly tender their Notes after the Early Tender Time, but at or prior to the Expiration Time, will be eligible to receive \$962.00 per \$1,000 principal amount of Notes validly tendered and accepted for purchase pursuant to the Tender Offer (the "Tender Consideration"). Tendered Notes may be withdrawn at any time at or prior to the Early Tender Time, but not thereafter, unless extended.

The consummation of the Tender Offer remains subject to the satisfaction or waiver, in the Company's discretion, of certain conditions set forth in the Offer to Purchase, including the closing and settlement of the New Notes on certain terms satisfactory to the Company and resulting in net proceeds to the Company sufficient to fund (i) the repayment of a \$250.0 million portion of the Company's revolving credit facility agreement and (ii) the aggregate Total Consideration, assuming Notes in an aggregate principal amount of at least equal to the Maximum Tender Amount are validly tendered (regardless of the actual amount of Notes tendered) plus accrued interest and unpaid interest. There can be no assurance that such conditions will be satisfied. The Company reserves the right, in its sole discretion, to waive or modify, subject to applicable law, any one or more of the conditions to the Tender Offer as provided in the Offer to Purchase, may delay the acceptance for payment of Notes validly tendered and may terminate the Tender Offer. The Company reserves the right to amend, extend, withdraw or terminate the Tender Offer at any time and from time to time in its sole discretion, subject to disclosure and other requirements as required by applicable law, as provided in the Offer to Purchase.

Except as described above in respect of the New Maximum Amount, the terms of the Tender Offer remain unchanged, including, without limitation, the Early Tender Time, the Withdrawal Date, the Early Settlement Date, the Expiration Time and the Final Settlement Date, each as defined in the Offer to Purchase. Holders who have previously validly tendered (and not withdrawn) their Notes will not need to re-tender their Notes to be eligible to receive the Total Consideration.

Capitalized terms used in this announcement but not otherwise defined shall have the meanings given to them in the Offer to Purchase. Full details of the terms and conditions of the Tender Offer are included in the Company's Offer to Purchase.
