## **FIRST QUANTUM MINERALS ANNOUNCES PRICING AND UPSIZING OF SENIOR NOTES OFFERING**

(In United States dollars, except where noted otherwise)

**Toronto, Ontario (February 11, 2026)** - First Quantum Minerals Ltd. ("First Quantum" or the "Company") (TSX: FM) announces that it has successfully completed the pricing of its offering of \$1,500 million aggregate principal amount of 6.375% senior notes due 2036 (the "Notes"). The original offering amount of the Notes of \$1,350 million has been increased to \$1,500 million. The issue price of the Notes is 100.000%.

Interest on the Notes will accrue from the issue date at a rate of 6.375% per annum and will be payable semi-annually. Settlement is expected to take place on or about February 26, 2026, subject to customary conditions precedent for similar transactions. The Notes will be senior unsecured obligations of the Company and will be guaranteed by certain of the Company's subsidiaries.

The Company intends to apply the gross proceeds from the sale of the Notes, together with cash on balance sheet, to redeem in full its \$1,350 million aggregate principal amount outstanding of existing 9.375% senior secured second lien notes due 2029, to repay certain drawn revolving credit facility amounts and to pay transaction fees, costs and expenses.

The Company intends to issue a conditional notice of redemption to holders of its existing 9.375% senior secured second lien notes due 2029 under the terms of the indenture governing such notes in connection with the redemption. Any such notice will outline the terms applicable to such redemption, including the manner of determination for the redemption price (including make-whole premium payable), the expected date of calculation of such redemption price, the redemption date (which is currently anticipated to be on or around February 26, 2026) and other relevant terms applicable to such redemption.

## **IMPORTANT DISCLAIMER**

The information in this announcement does not constitute a notice of redemption or the solicitation to purchase any securities of the Company, or an offer of securities for sale in the United States or any other jurisdiction. Securities may not be offered or sold in the United States unless they are registered or are exempt from the registration of the U.S. Securities Act of 1933, as amended (the "U.S. Securities Act"). The Notes will not be registered under the U.S. Securities Act, or the securities laws of any state of the U.S. or other jurisdictions and the Notes will not be offered or sold within the U.S. or to, or for the account or benefit of, U.S. Persons (as defined in Regulation S of the U.S. Securities Act), except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the U.S. Securities Act and the applicable laws of other jurisdictions. The Company does not intend to conduct a public offering in the United States or any other jurisdiction. It may be unlawful to distribute this announcement in certain jurisdictions.

The information in this announcement does not constitute an offer, or a solicitation of an offer, of securities for sale in the United States, Canada, the EEA, the UK, Switzerland, Panama, Hong Kong, Japan, Singapore, or any other jurisdiction in which such an offer, solicitation or sale is not permitted.

In member states of the EEA, this announcement and any offer of the securities referred to herein in any Member State of the European Economic Area ("EEA") will be made pursuant to an exemption under the Prospectus Regulation from the requirement to publish a prospectus for offers of the securities referred to herein. Accordingly, any person making or intending to make an offer in a Member State of Notes which are the subject of the offering contemplated may only do so in circumstances in which no obligation arises for the company or any of the initial purchasers to publish a prospectus pursuant to Article 3 of the Prospectus Regulation, in each case, in relation to such offer. Neither the company nor the initial purchasers have authorized, nor do they authorize, the making of any offer of Notes in circumstances in which an obligation arises for the company or the initial purchasers to publish a prospectus for such offer. The expression "Prospectus Regulation" means Regulation (EU) 2017/1129.

The securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the EEA. For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "MiFID II") or (ii) a customer within the meaning of Directive 2016/97/EU (as amended), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the "PRIIPs Regulation") for offering or selling the securities or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the securities or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

The securities are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom ("UK"). For these purposes, a retail investor means a person who is neither: (i) a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law in the United Kingdom by virtue of the European Union (Withdrawal) Act 2018 ("EUWA"); nor (ii) a qualified investor as defined in paragraph 15 of Schedule 1 to the Public Offers and Admissions to Trading Regulations 2024 ("POATRs"). Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (as amended, the "UK PRIIPs Regulation") for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

In the UK, this announcement and any offer of the securities referred to herein in the UK will be made pursuant to an exception under POATRs from the requirement to publish a prospectus for offers of the securities referred to herein. Accordingly, any person making or intending to make an offer in the UK of Notes which are the subject of the offering contemplated may only do so in circumstances in which no obligation arises for the company or any of the initial purchasers to publish a prospectus pursuant to the UK Financial Conduct Authority's Prospectus Rules: Admission to Trading on a Regulated Market sourcebook (the "PRM") made under the POATRs, in each case, in relation to such offer. Neither the company nor the initial purchasers have authorized, nor do they authorize, the making of any offer of Notes in circumstances in which an obligation arises for the company or the initial purchasers to publish a prospectus for such offer.
